Loved by A Listers: The Belle Baby Carrier

We featured and reviewed the Belle Baby Carrier a few months ago and since then it's been finding it's way onto the front of Hollywood A listers like Angelina Jolie and Jessica Alba.

Designed by two outdoor enthusiast dads from Colorado, they're suitable from 10lb - 25lb and are a front only carrier which can hold the baby facing in to your chest or outwards, and are made from lovely soft fabric with celebs seeming to favour the organic versions.

Angelina can be seen in the forthcoming November issue of W Magazine where her man has captured a week of pictures in the organic black version and Jessica has appeared in People, US Weekly, and Life and Style in the organic sand belle version.

I would just like to say, how the hell does Angelina manage to make baby wearing look so hot? I guess the big pout and being photographed by hot totty Brad Pitt helps...
