# SING CONFESSIONS

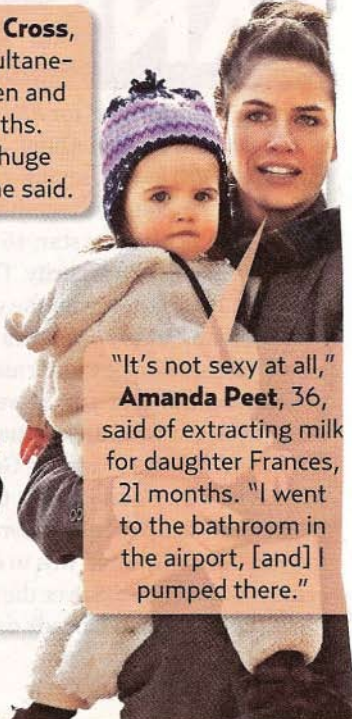

test star to sound off on breast-feeding her baby

"I'm like an alcoholic," **Salma Hayek**, 42, said of nursing daughter Valentina, 14 months. "I don't care if I cry, I don't care if I am fat. When I see how much good it is doing her, I can't stop."

While pregnant with Honor, now 5 months, **Jessica Alba**, 27, said she was "paranoid about breast-feeding," though a source says she "took to nursing her right away."

Double duty! **Marcia Cross**, 46, managed to simultaneously feed twins Eden and Savannah, 21 months. "For me [it was] a huge accomplishment!" she said.

"It's not sexy at all," **Amanda Peet**, 36, said of extracting milk for daughter Frances, 21 months. "I went to the bathroom in the airport, [and] I pumped there."
